Overview

Dr. Nitesh Pagadala is a highly skilled **Surgical Gastroenterologist** at **Apollo Specialty Hospitals, Nellore**, with over **seven years of specialized experience** in advanced gastrointestinal and hepatopancreatobiliary (HPB) surgery. He holds an **MBBS, MS in General Surgery from JIPMER**, and an **M.Ch in Surgical Gastroenterology from SVIMS**, making him exceptionally trained in managing complex digestive system disorders.

Dr. Pagadala has also pursued specialized fellowships in **HPB Surgery (JIPMER)**, **Laparoscopic Hernia Surgery**, and is a **Fellow of the Indian Association of Gastrointestinal Endo Surgeons (FIAGES)**, reflecting his commitment to mastering minimally invasive surgical techniques.

His areas of expertise include:

- **Liver, pancreas, and biliary surgeries**
- **Gastrointestinal cancer surgeries**
- **Laparoscopic and robotic GI procedures**
- **Advanced hernia repairs**

- **Colorectal and bariatric surgeries**

With a strong emphasis on precision, safety, and quicker recovery, Dr. Pagadala adopts cutting-edge surgical approaches tailored to each patient's condition. His surgical excellence is matched by his compassionate care, ensuring patients feel informed and supported at every stage of their treatment. Fluent in multiple languages and equipped with academic and clinical rigor, **Dr. Nitesh Pagadala** is a trusted name in **Gastrointestinal and HPB Surgery** in the Nellore region, committed to delivering world-class outcomes through evidence-based, patient-centered care.
