Overview

Dr. Shwetha S Rao is a dedicated and compassionate paediatrician with over eight years of experience in providing exceptional healthcare to children. Based at Apollo Hospitals on Bannerghatta Road in Bangalore, Dr. Rao has built a reputation for her expertise in managing a wide range of paediatric conditions, from routine check-ups to complex health issues. Her educational background is impressive, holding an MBBS degree, along with a Diploma in Child Health (DCH) and a Diplomate of National Board (DNB) in Paediatrics. This extensive training equips her with the knowledge and skills necessary to deliver high-quality care tailored to the unique needs of her young patients. Dr. Rao's clinical focus encompasses various aspects of child health, including growth and development, immunizations, and the management of chronic illnesses. She is particularly passionate about preventive care and believes in the importance of educating parents about their children's health. Her approach to patient care is characterized by warmth and empathy, ensuring that both children and their families feel comfortable and supported during their visits. Dr. Rao takes the time to listen to her patients' concerns, fostering a collaborative environment where parents are actively involved in their child's healthcare decisions. As a valued member of the Apollo

Hospitals team, Dr. Shwetha S Rao is committed to upholding the hospital's mission of providing comprehensive and compassionate care. Her association with this esteemed institution allows her to access advanced medical resources and collaborate with a multidisciplinary team of specialists, ensuring that her patients receive the best possible care. Dr. Rao's dedication to her profession and her patients makes her a trusted choice for families seeking paediatric care in Bangalore.
