Overview

Dr. Vikram Maiya M is a highly esteemed Radiation Oncologist with over 25 years of dedicated experience in the field of oncology. Based at Apollo Cancer Centres in Electronic City, Bangalore, Dr. Maiya has established himself as a leading expert in the management of cancer through advanced radiation therapies. His extensive educational background includes an MBBS, DMRT, and MD from the prestigious Christian Medical College (C.M.C) in Vellore, complemented by specialized training in Stereotactic Radiosurgery at the University of Pittsburgh and Image-Guided Radiation Therapy (IGRT) at the University of Wisconsin. This robust training equips him with the latest techniques and knowledge to provide the highest standard of care to his patients. Dr. Maiya's clinical focus encompasses a wide range of cancers, where he employs cutting-edge radiation techniques tailored to each patient's unique needs. His approach to patient care is characterized by compassion, thoroughness, and a commitment to ensuring that patients and their families are well-informed and comfortable throughout their treatment journey. He believes in fostering a collaborative environment where patients feel empowered to participate in their care decisions. At Apollo Cancer Centres, Dr. Maiya is not only a practitioner but also a mentor, guiding the next

generation of oncologists and contributing to the hospital's mission of providing comprehensive cancer care. As a vital member of the Apollo Cancer Centres team, Dr. Maiya is dedicated to advancing the field of radiation oncology and improving patient outcomes. His commitment to excellence and patient-centered care makes him a trusted choice for individuals seeking treatment for cancer. With a focus on innovation and a deep understanding of the emotional and physical challenges faced by patients, Dr. Vikram Maiya M stands out as a compassionate leader in the fight against cancer, ensuring that every patient receives the best possible care in a supportive environment.
