Overview

Dr. Prasant Kumar Parida is a distinguished Medical Oncologist with over 22 years of extensive experience in the field of oncology. Based in Bhubaneswar, he is currently associated with Apollo Hospitals, where he has earned a reputation for his compassionate approach and commitment to patient care. Dr. Parida's educational background is impressive, holding an MBBS degree followed by an MD in Medicine and a DM in Oncology. This rigorous training has equipped him with a profound understanding of cancer treatment and management, allowing him to provide comprehensive care tailored to the unique needs of each patient. Throughout his career, Dr. Parida has focused on various aspects of medical oncology, including the diagnosis and treatment of different types of cancers. His clinical expertise encompasses the latest advancements in cancer therapies, ensuring that his patients receive the most effective and evidence-based treatments available. Dr. Parida believes in a holistic approach to patient care, emphasizing the importance of not only treating the disease but also supporting the emotional and psychological well-being of his patients. He takes the time to listen to their concerns, educate them about their condition, and involve them in the decision-making process regarding their treatment plans. At Apollo
