Overview

Ms. V Champa Mazumdar is a highly esteemed clinical dietitian with an impressive 27 years of experience in the field of dietetics. Currently serving as the Chief Clinical Dietician at Apollo Hospitals on Seepat Road in Bilaspur, she has dedicated her career to promoting health and wellness through nutrition. Ms. Mazumdar holds a Master of Science in Food and Nutrition and a Postgraduate Diploma in Dietetics from the prestigious All India Institute of Hygiene & Public Health in Kolkata, West Bengal. Her extensive educational background, combined with her practical experience, equips her with a profound understanding of the intricate relationship between diet and health. Throughout her career, Ms. Mazumdar has focused on a variety of clinical areas, including weight management, diabetes care, and nutritional support for chronic illnesses. She is passionate about empowering her patients to make informed dietary choices that enhance their overall well-being. Her approach to patient care is characterized by empathy, active listening, and personalized nutrition plans tailored to meet the unique needs of each individual. Ms. Mazumdar believes that effective communication and education are key components in fostering a positive patient experience, and she strives to create a supportive environment where patients feel comfortable

discussing their health concerns. At Apollo Hospitals, Ms. Mazumdar is committed to upholding the highest standards of patient care and nutrition management. Her collaboration with a multidisciplinary team ensures that patients receive comprehensive care that addresses all aspects of their health. By integrating her expertise in dietetics with the hospital's advanced medical services, she plays a vital role in helping patients achieve their health goals. Ms. V Champa Mazumdar is not just a dietitian; she is a dedicated partner in her patients' journeys toward better health, making her an invaluable asset to the Apollo Hospitals community.
