Overview

Dr. Shristi is a highly esteemed specialist in Critical Care Medicine, bringing over 20 years of dedicated experience to her practice. Based at Apollo Hospitals Greaves Road in Chennai, she has established herself as a trusted figure in the field, known for her exceptional clinical skills and compassionate approach to patient care. Dr. Shristi's extensive background in critical care equips her with the expertise to manage complex medical conditions, ensuring that her patients receive the highest standard of care during their most vulnerable moments.

Her educational qualifications in Critical Care Medicine have provided her with a solid foundation in the latest advancements and best practices in the field. Dr. Shristi is committed to continuous learning and professional development, which allows her to stay at the forefront of critical care. She focuses on a holistic approach to treatment, emphasizing not only the physical aspects of recovery but also the emotional and psychological well-being of her patients. This comprehensive care model fosters a supportive environment where patients and their families feel valued and understood.

At Apollo Hospitals Greaves Road, Dr. Shristi collaborates with a multidisciplinary team of healthcare professionals, ensuring that each patient receives personalized treatment tailored to their unique needs. Her dedication to excellence and patient-centered care has made her a vital part of the hospital's mission to provide outstanding healthcare services. With a warm demeanor and a steadfast commitment to her patients, Dr. Shristi continues to make a significant impact in the lives of those she serves, embodying the values of compassion and professionalism that Apollo Hospitals stands for.
