Overview

Dr. Agnes Blessy is a dedicated and compassionate dermatologist with five years of experience in the field of dermatology, venereology, and leprosy. Based at Apollo Hospitals Tondiarpet in Chennai, she has built a reputation for her expertise and commitment to patient care. Dr. Blessy completed her MBBS and went on to earn her M.D. in Dermatology, Venereology, and Leprosy, equipping her with a solid foundation in both the theoretical and practical aspects of skin health. Her educational background, combined with her hands-on experience, allows her to provide comprehensive care tailored to the unique needs of each patient.

In her practice, Dr. Blessy focuses on a wide range of dermatological conditions, from common skin issues such as acne and eczema to more complex cases involving skin infections and autoimmune disorders. She is particularly passionate about educating her patients on skin health and preventive care, believing that informed patients are empowered to make better decisions regarding their treatment. Dr. Blessy adopts a holistic approach to patient care, taking the time to listen to her patients' concerns and working collaboratively to develop personalized treatment plans that promote both physical and emotional well-being.

As a valued member of the Apollo Hospitals Tondiarpet team, Dr. Agnes Blessy is committed to upholding the hospital's mission of providing high-quality healthcare. Her warm demeanor and professional expertise create a welcoming environment for patients seeking dermatological care. Dr. Blessy is dedicated to staying updated with the latest advancements in dermatology, ensuring that her patients receive the most

effective and innovative treatments available. With her extensive knowledge and patient-centered approach, Dr. Blessy is a trusted partner in her patients' journeys toward healthier skin.
