Overview

Dr. Jered Livingstone is a highly skilled neurologist based in Chennai, with a dedicated focus on providing exceptional care to patients suffering from a wide range of neurological disorders. With eight years of extensive experience in the field, Dr. Livingstone has honed his expertise in diagnosing and treating conditions such as epilepsy, stroke, multiple sclerosis, and neurodegenerative diseases. His commitment to advancing his knowledge is reflected in his impressive educational background, which includes an MBBS, an M.D. in Medicine, and a DM in Neurology. This rigorous training equips him with a comprehensive understanding of the complexities of the nervous system, allowing him to deliver precise and effective treatment plans tailored to each patient's unique needs. At Apollo Hospitals Tondiarpet, Dr. Livingstone is not only a valued member of the medical team but also a compassionate advocate for his patients. He believes in a holistic approach to patient care, emphasizing the importance of understanding each individual's medical history, lifestyle, and emotional well-being. Dr. Livingstone takes the time to listen to his patients, ensuring they feel heard and supported throughout their treatment journey. His warm demeanor and empathetic nature foster a trusting environment, encouraging open communication and

collaboration between him and his patients. This patient-centered approach is integral to his practice, as he strives to empower individuals with the knowledge and resources they need to manage their conditions effectively. Dr. Livingstone's association with Apollo Hospitals Tondiarpet further enhances his ability to provide top-notch care. The hospital is renowned for its state-of-the-art facilities and commitment to excellence in healthcare, making it an ideal setting for Dr. Livingstone to practice. He actively collaborates with a multidisciplinary team of specialists, ensuring that patients receive comprehensive care that addresses all aspects of their health. Whether through advanced diagnostic techniques or innovative treatment options, Dr. Livingstone is dedicated to improving the quality of life for his patients, making him a trusted choice for those seeking neurological care in Chennai.
