Overview

Dr. Jothikumar is a highly esteemed neurosurgeon based in Chennai, with an impressive 23 years of experience in the field of neurosurgery. His extensive educational background includes an MBBS degree followed by a Master of Surgery (MS) and a super-specialization in Neurosurgery (MCh). This rigorous training has equipped him with a profound understanding of complex neurological conditions and the latest surgical techniques, making him a trusted expert in his field. Dr. Jothikumar is currently associated with Apollo Hospitals Tondiarpet, a leading healthcare institution known for its commitment to excellence in patient care.

Throughout his career, Dr. Jothikumar has focused on a wide range of neurological disorders, including brain tumors, spinal disorders, and traumatic brain injuries. His clinical expertise is complemented by a compassionate approach to patient care, where he prioritizes clear communication and patient education. Dr. Jothikumar believes that informed patients are empowered patients, and he takes the time to explain diagnoses, treatment options, and expected outcomes, ensuring that each individual feels supported and involved in their healthcare journey. His dedication to providing personalized care has earned him the respect and trust of his patients and colleagues alike.

At Apollo Hospitals Tondiarpet, Dr. Jothikumar is part of a multidisciplinary team that collaborates to deliver comprehensive care tailored to the unique needs of each patient. The hospital's state-of-the-art facilities and commitment to innovative treatment options align perfectly with Dr. Jothikumar's philosophy of integrating advanced medical technology with compassionate care. As he continues to make significant contributions to the field of neurosurgery, Dr. Jothikumar remains dedicated to improving the lives of his

patients, ensuring they receive the highest standard of care in a supportive and nurturing environment.
