Overview

Dr. P Ilayakumar is a highly esteemed vascular surgeon with over 19 years of dedicated experience in the field of vascular surgery. Based at Apollo Hospitals Tondiarpet in Chennai, he has built a reputation for his exceptional skills and compassionate approach to patient care. Dr. Ilayakumar's extensive educational background includes an MBBS, followed by a Master of Surgery (MS) and a super-specialization in Vascular Surgery (MCh). This rigorous training has equipped him with a profound understanding of complex vascular conditions, enabling him to provide comprehensive care tailored to each patient's unique needs. Throughout his career, Dr. Ilayakumar has focused on a wide range of vascular issues, including arterial and venous diseases, aneurysms, and varicose veins. His clinical expertise is complemented by a commitment to staying abreast of the latest advancements in vascular surgery, ensuring that his patients benefit from the most current and effective treatment options available. Dr. Ilayakumar believes in a holistic approach to patient care, emphasizing the importance of clear communication and patient education. He takes the time to listen to his patients, addressing their concerns and involving them in the decision-making process regarding their treatment plans. At Apollo Hospitals Tondiarpet, Dr. Ilayakumar is

an integral part of a multidisciplinary team that prioritizes patient safety and comfort. His association with this prestigious institution allows him to leverage state-of-the-art technology and resources, further enhancing the quality of care he provides. Dr. Ilayakumar is not only dedicated to treating his patients but also to fostering long-term relationships built on trust and respect. His warm demeanor and unwavering commitment to excellence make him a sought-after vascular surgeon in Chennai, where he continues to make a significant impact on the lives of his patients.
