Overview

Dr. Minakshee Baruah is a highly esteemed ophthalmologist with 19 years of dedicated experience in the field of eye care. Based in Guwahati, she is currently associated with Apollo Hospitals, Guwahati, where she brings her extensive expertise and compassionate approach to patient care. Dr. Baruah has earned her MBBS, followed by a Diploma in Ophthalmology (DO) and a Master of Surgery (MS), equipping her with a robust foundation in both the theoretical and practical aspects of ophthalmology. Her educational qualifications reflect her commitment to excellence and her desire to stay at the forefront of advancements in eye health. Throughout her career, Dr. Baruah has focused on a wide range of ophthalmic conditions, including cataracts, glaucoma, and retinal disorders. Her clinical acumen is complemented by her ability to connect with patients, ensuring they feel comfortable and informed throughout their treatment journey. Dr. Baruah believes in a patient-centered approach, taking the time to listen to her patients' concerns and tailoring her treatment plans to meet their individual needs. This dedication to personalized care has earned her the trust and respect of her patients and colleagues alike. At Apollo Hospitals, Guwahati, Dr. Baruah is not only a valued member of the medical team but also an advocate for community health and

awareness regarding eye care. She actively participates in outreach programs aimed at educating the public about the importance of regular eye examinations and preventive measures. Her passion for her work and her commitment to improving the quality of life for her patients make her an exceptional choice for anyone seeking expert ophthalmological care in the region.
