Overview

Dr. M Hari Sharma is a highly esteemed orthopaedic surgeon with over 30 years of dedicated experience in the field. Based in Hyderabad, he has built a reputation for excellence in patient care and clinical outcomes. Dr. Sharma completed his MBBS and MS in Orthopaedics, equipping him with a solid foundation and advanced expertise in diagnosing and treating a wide range of musculoskeletal conditions. His extensive experience allows him to handle complex cases with confidence, ensuring that each patient receives the highest standard of care tailored to their individual needs. At Apollo Hospitals Hyderguda, Dr. Sharma is committed to providing comprehensive orthopaedic services, focusing on both surgical and nonsurgical treatment options. His areas of clinical interest include joint replacement surgeries, sports injuries, and trauma management, where he employs the latest techniques and technologies to enhance recovery and improve quality of life for his patients. Dr. Sharma believes in a patient-centered approach, emphasizing open communication and collaboration to empower patients in their treatment journey. He takes the time to listen to their concerns, educate them about their conditions, and involve them in decision-making, fostering a supportive environment that promotes healing and well-being. Dr. Sharma's

association with Apollo Hospitals Hyderguda reflects his commitment to delivering exceptional healthcare. The hospital's state-of-the-art facilities and multidisciplinary team enable him to provide comprehensive care that meets the highest standards. His passion for orthopaedics, combined with his extensive experience and compassionate approach, makes him a trusted choice for patients seeking expert care in Hyderabad. Whether addressing chronic pain or facilitating recovery from injury, Dr. M Hari Sharma is dedicated to helping his patients regain their mobility and enhance their overall quality of life.
