Overview

Dr. Subrata Dey is a distinguished Paediatric Endocrinologist with an impressive 27 years of experience in the field of child health and endocrine disorders. Currently serving at Apollo Multispeciality Hospitals in Kolkata, Dr. Dey has dedicated his career to improving the lives of children facing complex hormonal and metabolic challenges. His extensive educational background includes a Bachelor of Medicine, Bachelor of Surgery (MBBS) from a prestigious institution in Vel, followed by a Diploma in Child Health (DCH) and a Doctor of Medicine (MD) from JIPMER. He further honed his expertise with a DNB MNAMS and MRCP (UK), culminating in a Fellowship in Pediatric Endocrinology at the renowned Cincinnati Children's Hospital in the USA. Dr. Dey is also US Board Certified in both Pediatrics and Endocrinology, underscoring his commitment to maintaining the highest standards of medical practice. Dr. Dey's clinical focus encompasses a wide range of pediatric endocrine disorders, including growth abnormalities, diabetes management, thyroid dysfunction, and adrenal disorders. His approach to patient care is characterized by compassion, thoroughness, and a commitment to evidence-based practices. He believes in fostering a collaborative environment where families are actively involved in the treatment process, ensuring that both

children and their parents feel supported and informed every step of the way. Dr. Dey takes the time to listen to his patients' concerns, tailoring treatment plans to meet their unique needs and circumstances. His dedication to continuous learning and professional development allows him to stay at the forefront of advancements in pediatric endocrinology, ensuring that his patients receive the most effective and innovative care available. At Apollo Multispeciality Hospitals, Dr. Dey is an integral part of a multidisciplinary team that prioritizes comprehensive and holistic care for children. His affiliation with this esteemed institution allows him to leverage state-of-the-art facilities and collaborate with other specialists to provide well-rounded treatment options. Dr. Dey's commitment to excellence in pediatric healthcare, combined with his extensive experience and compassionate approach, makes him a trusted choice for families seeking specialized care for their children's endocrine health. Whether addressing routine concerns or complex medical issues, Dr. Subrata Dey is dedicated to guiding his patients toward healthier futures.
