Overview

Dr. Abishek Chandran is a dedicated and compassionate pulmonologist based in Trichy, specializing in respiratory medicine. With three years of hands-on experience in the field, Dr. Chandran has developed a profound understanding of various pulmonary conditions, enabling him to provide comprehensive care to his patients. He earned his MBBS and MD in Pulmonary Medicine, equipping him with a solid foundation in both the theoretical and practical aspects of respiratory health. His educational background, combined with his clinical experience, allows him to stay abreast of the latest advancements in pulmonology, ensuring that his patients receive the most effective and up-to-date treatments available. At Apollo Speciality Hospitals Trichy, Dr. Chandran is committed to fostering a patient-centered approach to care. He believes in the importance of building strong relationships with his patients, taking the time to listen to their concerns and understand their unique health needs. This empathetic approach not only helps in diagnosing and treating respiratory ailments but also empowers patients to take an active role in their health journey. Dr. Chandran's areas of clinical focus include asthma, chronic obstructive pulmonary disease (COPD), interstitial lung disease, and sleep-related breathing disorders, among others. His dedication to improving the quality of life for his patients is evident in his thorough and personalized treatment plans. As a valued member of the Apollo Speciality Hospitals Trichy team, Dr. Abishek Chandran is proud to contribute to a facility renowned for its commitment to excellence in healthcare. The hospital's state-of-the-art resources and collaborative environment allow him to deliver high-quality care while working alongside other skilled professionals. Dr. Chandran's passion for pulmonology and his unwavering commitment to patient well-being make him a trusted choice for individuals seeking expert

care in respiratory medicine. Whether you are dealing with a chronic condition or seeking preventive care, Dr. Chandran is here to guide you on your path to better respiratory health.
