Overview

Dr. Preema Sinha is a highly experienced Dermatology Specialist at **Apollo Hospitals, Delhi**, with over 20 years of dedicated expertise in the field of Dermatology, Venereology, and Leprosy. She holds an **MBBS** and **MD in Dermatology, Venereology & Leprosy**, showcasing her advanced training and deep understanding of skin, hair, and nail disorders.

Dr. Sinha is proficient in diagnosing and treating a wide range of dermatological conditions, including chronic skin diseases, autoimmune skin disorders, pigmentation issues, and cosmetic dermatology procedures. She is also skilled in advanced techniques such as chemical peels, acne scar management, laser treatments, and dermatosurgery. Her approach emphasizes evidence-based care and the use of modern treatment modalities to deliver optimal outcomes.

Fluent in **English** and **Hindi**, Dr. Sinha is known for her patient-friendly consultations, where she prioritizes clear communication and personalized treatment plans. She believes in educating patients about their conditions, ensuring they feel empowered and confident in their treatment journey.

In addition to her clinical practice, **Dr. Preema Sinha** is actively engaged in academic discussions and professional forums, contributing to the ongoing advancements in dermatology. With her vast experience, compassionate care, and commitment to medical excellence, she stands out as a trusted name for comprehensive dermatological care in Delhi.
