## Overview

**Dr. Srirangam Vamshi** is a skilled General Physician and Endocrinology specialist at Apollo Hospitals, Hyderguda, Hyderabad, with over 5 years of dedicated clinical experience. He holds an MBBS, MD in General Medicine, and DM in Endocrinology, and has further earned the **MRCP SCE (Endocrinology and Diabetes)** from the UK, reflecting his advanced training and international credentials in the management of hormonal and metabolic disorders.

Dr. Vamshi specializes in the diagnosis and treatment of a wide range of endocrine and metabolic conditions including **Diabetes, Thyroid Disorders, Obesity, PCOS, and Menstrual Irregularities**. Known for his patient-focused approach, he emphasizes personalized care, accurate diagnosis, and long-term disease management through both medical and lifestyle interventions.

Fluent in **English, Hindi, and Telugu**, Dr. Vamshi communicates effectively with patients from diverse backgrounds, ensuring clarity and comfort in every consultation. His approachable nature and evidence-based treatment plans have earned him the trust of his patients.

In addition to his clinical practice, Dr. Vamshi remains engaged in ongoing learning and medical advancements. He has been recognized with honors such as the **COVID Warrior Award** by the Government of Telangana and has served in roles such as **Senior Resident at Chest Hospital**, contributing significantly during the pandemic.

Whether managing complex endocrine disorders or providing general medical care, Dr. Srirangam Vamshi is committed to delivering compassionate, high-quality healthcare tailored to individual patient needs.
