Overview

Mr. Manooj P is a dedicated psychologist based in Mysuru, Karnataka, with over 4 years of experience in the field of clinical psychology. Holding an **MPhil in Clinical Psychology**, he has developed strong expertise in understanding and addressing a wide range of psychological concerns, supporting patients across various age groups.

Fluent in **English, Hindi, Kannada, Tamil, and Telugu**, Mr. Manooj ensures effective communication and cultural sensitivity in his sessions, enabling him to connect with a diverse clientele. His approach to therapy is rooted in compassion, professionalism, and evidence-based practices, aiming to provide tailored interventions that meet the unique needs of each individual.

At **Apollo BGS Hospitals, Mysuru**, Mr. Manooj offers consultation from **10:00 AM to 4:00 PM, Monday to Saturday**, addressing issues related to mental health, emotional wellbeing, and personal growth. His dedication to fostering a safe and supportive therapeutic environment makes him a trusted resource for individuals seeking guidance through life's challenges.

Experience

- Extensive experience in **individual psychotherapy** and **child & adolescent mental health**
- Specialized in **neurodevelopmental disorders** and **early interventions**
- Conducts **couple therapy**, **family interventions**, and **geriatric mental health** sessions
