Overview

Dr. A. C. Senthil Kumar is a highly skilled Surgical Oncologist at Apollo Speciality Hospitals, Vanagaram, with over 15 years of experience in the field of cancer surgery. He holds an impressive array of qualifications, including MBBS, MS in General Surgery, MCh in Surgical Oncology, DNB in both General and Surgical Oncology, MRCS, and a Fellowship in Advanced Laparoscopic & Robotic Onco-Surgery. His expertise spans minimally invasive, laparoscopic, and robotic surgical techniques, ensuring precision-driven cancer treatment.

Fluent in English and Tamil, Dr. Senthil Kumar focuses on building strong communication with his patients, ensuring they fully understand their diagnosis, treatment options, and recovery pathways. His patient-centric approach combines advanced surgical skills with compassion, offering not only effective medical care but also emotional support during challenging times.

At Apollo, Dr. Senthil Kumar leverages cutting-edge surgical technologies and evidence-based protocols to deliver comprehensive oncology care. Known for his dedication, precision, and collaborative approach, he works closely with multidisciplinary teams to design individualized treatment plans. Dr. A. C. Senthil

Kumar is recognized as a trusted surgical oncologist, committed to advancing cancer care and improving patient outcomes through expert, technology-driven treatment.
