Overview

Dr Tanmaya Kumar Sahu is an experienced Gastroenterologist with over 12 years of expertise practicing at Apollo Hospitals, Bhopal. He holds an MD in General Medicine and a DM in Gastroenterology. Dr Sahu specializes in diagnosing and managing complex gastrointestinal and liver diseases including acid reflux, inflammatory bowel disease, viral hepatitis, and gastrointestinal cancers. His practice encompasses a broad spectrum of endoscopic and therapeutic procedures, including advanced colonoscopy, ERCP, and liver biopsy. Dr Sahu emphasizes personalized patient care, combining up-to-date diagnostic tools with individualized treatment plans and lifestyle counseling. Fluent in English and Hindi, he dedicates himself to improving digestive health and enhancing patients' quality of life through compassionate and evidence-based medical care.
