Overview

Dr. Pooja Pushkarna is a highly experienced Psychologist with over 25 years of practice in the field of mental health and behavioral sciences. She holds an MA in Psychology, equipping her with strong theoretical understanding and extensive clinical expertise in psychological assessment, counseling, and therapy.

Dr. Pushkarna specializes in helping individuals manage stress, anxiety, depression, relationship issues, and emotional well-being challenges. With her compassionate, patient-centered approach and decades of experience, she focuses on providing supportive, evidence-based therapeutic interventions that promote long-term mental wellness.
