## Overview

Dr. Sushrut Deshmukh is an experienced ENT Surgeon at Apollo Hospitals, Pune, with 14 years of expertise in diagnosing and treating conditions related to the ear, nose, throat, head, and neck. He holds an MBBS and MS in ENT, reflecting strong clinical training in both medical and surgical aspects of otolaryngology. Dr. Deshmukh manages a wide range of ENT concerns, including sinusitis, allergic and chronic nasal conditions, ear infections, hearing loss, tonsil and adenoid disorders, voice issues, and head and neck pathologies. He is skilled in performing endoscopic sinus procedures, microsurgeries of the ear, and other specialised interventions aimed at improving function and reducing recovery time. Known for his clear communication and patient friendly approach, Dr. Deshmukh takes time to explain diagnoses and treatment options in simple, reassuring terms, helping patients make informed choices about their care. His patient centred philosophy emphasises safety, personalised treatment, and long term well being, ensuring each individual receives care tailored to their needs. Fluent in Hindi and English, he connects effectively with patients from diverse backgrounds and strives to create a comfortable, supportive environment throughout their treatment journey. With his clinical expertise and commitment to ethical, evidence based ENT care, Dr. Sushrut Deshmukh aims to deliver high quality treatment that helps patients breathe, hear, and live better.
