## Overview

Dr. G. Haricharan is a highly experienced Internal Medicine specialist, Diabetologist, and Lipidologist with over 23 years of clinical expertise. He holds an MBBS from Kakatiya Medical College, Warangal, and an MD in General Medicine from Gandhi Medical College, Secunderabad, along with a Fellowship in AI and Digital Health from the Commonwealth Medical Association and the Royal Colleges of Physicians and Surgeons, Glasgow (UK). His clinical interests include seasonal disorders, hypertension, diabetes, complex infectious diseases (viral, bacterial, fungal, and parasitic), septicemia with multi-organ failure, geriatric medicine, complicated malaria, HIV, tuberculosis, and all types of poisoning cases including snake bites and scorpion stings. Dr. Haricharan has served in senior leadership and academic roles at leading institutions such as Yashoda Hospitals, Sunshine Hospital, and Care Hospital, where he was also a DNB teacher and Clinical Director. A recipient of multiple prestigious awards including Vaidya Ratna, Vaidya Samrat, and Best Physician/Diabetologist Awards, he has contributed to 8–10 research publications and guided several pharmacy research projects. Actively involved in professional bodies like API and RSSDI, he has also held key positions in the Indian Medical Association (IMA) and is the Founder

President of Vision 2047 Professionals Foundation, reflecting his commitment to clinical excellence, teaching, and healthcare leadership.
