Overview

Dr. Abdul Basith is a highly qualified Infertility Specialist based in Chennai, Tamil Nadu, with over 15 years of experience in the field of reproductive medicine. He holds an MBBS and an MD in Obstetrics and Gynaecology, having achieved university first honors in his postgraduate degree. His commitment to advancing his knowledge is evidenced by his training in Assisted Reproductive Techniques under the renowned Professor P.C. Wong at the National University Hospital in Singapore. Furthermore, Dr. Basith successfully completed a two-year Post Doctorate Fellowship in Reproductive Medicine and Surgery from the esteemed Tamil Nadu Dr. MGR Medical University.

In addition to his extensive education, Dr. Basith is a proud member of the Royal College of Obstetricians and Gynaecologists in London, UK, and has obtained a Diploma in Minimal Access Surgery, specializing in Laparoscopy and Hysteroscopy in Gynaecology from the World Association of Laparoscopic Surgeons. His accolades include several awards and distinctions during his MBBS, highlighting his dedication and excellence in his medical career.

Fluent in English, Hindi, and Tamil, Dr. Basith is well-equipped to communicate with a diverse patient base. He is associated with Apollo Hospitals and is known for his compassionate patient care, innovative treatment approaches, and comprehensive understanding of infertility issues. Dr. Abdul Basith strives to help couples realize their dreams of parenthood, providing them with personalized treatment plans and support throughout their journey.
