Overview

Dr. Abhishek Verma is a highly qualified Pulmonology Respiratory Medicine Specialist based in Lucknow, Uttar Pradesh. With an impressive experience of 7 years in the field, he is dedicated to providing exceptional care to patients suffering from respiratory ailments. Dr. Verma holds an MD in Respiratory Medicine and a PDCC in Interventional Pulmonology, both of which he obtained from prestigious institutions, SGPGIMS and KGMU in Lucknow. His extensive training equips him with the skills to diagnose and manage a wide range of pulmonary conditions, ensuring that his patients receive the most effective treatment tailored to their individual needs. Fluent in both English and Hindi, Dr. Verma is capable of communicating effectively with a diverse patient population, making sure that everyone feels understood and cared for. As part of the Apollo network, he is committed to upholding the highest standards of medical practice and patient care. Dr. Verma is passionate about advancing the field of pulmonology and is always keen on adopting the latest techniques and advancements that can benefit his patients. His approach is holistic, focusing not only on treating the symptoms but also on improving the overall quality of life for his patients. Whether dealing with chronic respiratory conditions or conducting

interventional procedures, Dr. Verma is dedicated to providing personalized care that meets the unique needs of each patient. Patients can rely on his expertise and compassionate approach for all their respiratory health concerns.
