Overview

Dr. Antoinetta Ashwini is a distinguished Dermatologist based in Chennai, Tamil Nadu, with five years of dedicated experience in the field of dermatology. She holds an MBBS and an MD in Dermatology, which equips her with a solid foundation to diagnose and treat a wide range of skin conditions effectively. As a female physician, she brings a unique touch to her practice, making her patients feel comfortable and understood during consultations. Dr. Ashwini is fluent in English, Hindi, and Tamil, allowing her to communicate effectively with a diverse patient population, ensuring clarity in understanding their concerns and treatment options. Currently practicing at Apollo, she is committed to providing high-quality dermatological care. Her expertise encompasses various aspects of skin health, including acne treatment, psoriasis management, and cosmetic dermatology. Although she has not received specific awards, Dr. Ashwini is highly regarded in her community for her professionalism and dedication to patient care. Her approach combines state-of-the-art medical techniques with a compassionate touch, promoting not just skin health but overall well-being. Dr. Antoinetta Ashwini is an excellent choice for anyone seeking specialized dermatological care in Chennai.
