Overview

Dr. Ankur Saxena is a highly skilled and experienced General and Laparoscopic Surgeon based in Lucknow, Uttar Pradesh. With an impressive 25 years of medical practice, Dr. Saxena has developed a strong reputation for his expertise in both general and laparoscopic surgical procedures. He holds multiple qualifications including an MBBS, an MS in General Surgery, and advanced fellowships in Minimal Access Surgery (FNB) and Hepato-Pancreato-Biliary Surgery (FALS). This extensive training allows him to provide exceptional surgical care to his patients, utilizing the latest techniques and technologies to ensure optimal outcomes.

Fluent in Hindi and English, Dr. Saxena ensures clear communication with his patients, making them feel comfortable and informed about their treatment options. His commitment to patient care is evident in his thorough approach to diagnosis and treatment, where he leaves no stone unturned in achieving the best possible results for his patients.

As part of the Apollo network, Dr. Saxena adheres to the highest standards of medical practice, combining compassion with cutting-edge surgical intervention. His focus on minimally invasive techniques not only

promotes faster recovery times but also reduces the risk associated with traditional surgical approaches. His tenure as a general and laparoscopic surgeon has been marked by numerous successful surgeries and satisfied patients, all of which contribute to his esteemed standing in the medical community of Lucknow.

Dr. Ankur Saxena continues to be a beacon of hope for patients seeking surgical solutions, and he is dedicated to advancing his expertise as a skilled surgeon.
