Overview

Dr. Anupam Biswas is a distinguished Paediatric Cardiologist based in Guwahati, Assam, offering specialized care for children with cardiovascular conditions. With 3 years of focused experience in paediatric cardiology, Dr. Biswas has developed a reputation for providing compassionate, comprehensive care to his young patients and their families. He holds an MBBS degree along with a Diploma in Child Health (DCH) from Mumbai, and further enhanced his expertise with a Fellowship in Pediatric Cardiology from Shri Sathya Sai. This advanced training equips him with the skills to diagnose and treat complex cardiac issues in infants and children, ensuring early intervention and the best possible outcomes. Fluently speaking Hindi, English, and Assamese, Dr. Biswas can communicate effectively with a diverse patient base, making every visit a personalized experience. He is dedicated not only to treating medical conditions but also to educating families about heart health, providing them with the tools they need to support their children's well-being. Dr. Biswas is associated with Apollo, a trusted name in healthcare, where he collaborates with a team of experts to ensure integrated care for his patients.

As a paediatric cardiologist, Dr. Anupam Biswas employs state-of-the-art techniques and technology, along with a compassionate approach, to address the unique needs of each child. His commitment to excellence in clinical practice makes him a valuable asset to the medical community in Assam. Parents seeking expert advice and care for their children's heart health will find Dr. Biswas to be a reliable and knowledgeable partner in their journey.
