Overview

Dr. Apurva Arora is a highly esteemed Paediatric Surgeon based in Chennai, Tamil Nadu, with over 8 years of experience in her specialized field. As a dedicated healthcare professional, she holds an impressive academic background, including an MBBS, an MS in General Surgery, and an MCh in Pediatric Surgery, where she excelled as a Gold Medalist for being the best outgoing student. Dr. Arora is not only recognized for her surgical expertise but also holds several prestigious awards, including the first prize at the Karl Storz awards during the National PESICON conference in 2021 and second prize in 2017, showcasing her commitment to advancing paediatric surgical practice. Additionally, she received the K.K. Sharma award at the National conference IAPSCON in 2016, further underscoring her contributions to the field.

Fluent in Hindi, English, Tamil, and Bengali, she is equipped to effectively communicate with a diverse range of patients and their families. Dr. Apurva Arora is not only a skilled surgeon but also a compassionate caregiver, providing expert paediatric surgical care with a patient-centered approach. Her dedication to her patients and commitment to excellence make her a trusted physician in the community.

Whether in routine consultations or complex surgical interventions, Dr. Arora is committed to ensuring the best outcomes for her young patients, making her an invaluable asset to the Apollo Hospital team.
