Overview

Dr. Arun Kumar Ramanathan is a distinguished orthopaedician based in Chennai, Tamil Nadu, with an impressive experience of over 23 years in the field of orthopaedics. He specializes in a variety of areas including Foot and Ankle surgery, minimally invasive techniques such as keyhole (arthroscopy) surgery, as well as joint replacement and reconstructive surgery for the hip and knee. His qualifications are noteworthy, holding an MBBS, MS (Ortho), and MCh (Ortho) from the UK, along with MRCS (UK) and an MD (Research) from the UK. Dr. Ramanathan is proficient in both English and Tamil, allowing him to communicate effectively with a diverse patient demographic. Known for his commitment to patient care, he stays abreast of the latest advancements in orthopaedic procedures which enhances his surgical outcomes. Dr. Ramanathan's practice at Apollo Hospital reflects his dedication to providing high-quality medical services, utilizing modern techniques to achieve optimal recovery for his patients. He believes in a holistic approach towards orthopedic health, ensuring that every patient's unique condition is addressed with personalized care. His extensive training and hands-on experience make him one of the leading orthopaedic surgeons in the region, trusted by many for their bone and joint health needs.
