Overview

Dr. Atanu Bhattacharya is a distinguished General Physician and Internal Medicine Specialist with over 17 years of experience in the medical field. Based in Bilaspur, Chhattisgarh, he is dedicated to providing comprehensive healthcare services to his patients. Dr. Bhattacharya holds an MBBS degree along with specialized qualifications in DTCD (Diploma in Tuberculosis and Chest Diseases) and DHM (Diploma in Hospital Management), highlighting his commitment to continual learning and expertise in his field. As a male physician, he is known for his compassionate approach and ability to communicate effectively with his patients, primarily in English.

With a focus on delivering high-quality internal medicine, Dr. Bhattacharya is equipped to diagnose and manage a wide range of health conditions, ensuring that each patient receives personalized care tailored to their unique needs. His clinical skills and patient-centered philosophy allow him to build strong relationships and foster an environment of trust and support. While Dr. Bhattacharya has yet to be recognized with specific awards, his dedication to patient care speaks volumes about his professionalism and commitment to the health and well-being of his community.

As part of the Apollo network, Dr. Atanu Bhattacharya is committed to upholding the high standards of care associated with one of India's leading healthcare providers. Whether you are seeking routine check-ups or specialized treatment, patients can rely on Dr. Bhattacharya's expertise to guide them towards better health outcomes.
