## Overview

Dr. Ayesha Shahnaz is a highly qualified Paediatric Pulmonologist based in Chennai, Tamil Nadu, with over 13 years of experience in her field. With an impressive academic background including MBBS, MRCPCH(UK), FRCPC(UK), and CCT(UK), she has established herself as a leading expert in the diagnosis and treatment of respiratory disorders in children. Dr. Shahnaz is fluent in both English and Tamil, making her accessible to a diverse patient demographic.

Dr. Shahnaz has actively contributed to her field through participation in numerous national and international paediatric conferences, most notably with the British Paediatric Respiratory Society (BPRS) in the United Kingdom. Her dedication to continuous learning and professional development ensures that she stays updated with the latest advancements in paediatric pulmonology.

At Apollo Hospitals, Dr. Ayesha Shahnaz is committed to providing comprehensive care tailored specifically for children suffering from various respiratory ailments. Her approach is patient-centered, focusing not only on effective treatment plans but also on educating families about managing respiratory health in children. Dr. Shahnaz's expertise and compassionate care have made her a trusted choice for

parents seeking specialized treatment for their children in Chennai and beyond.

## Experience
