Overview

Dr. Debanjan Banerjee is a highly experienced psychiatrist based in Kolkata, West Bengal, with a distinction in the field of mental health. With over 10 years of dedicated service, he has established himself as a compassionate and skilled practitioner who emphasizes patient-centered care. Dr. Banerjee holds multiple prestigious qualifications including an MBBS, an MD in Psychiatry from NIMHANS in Bangalore, and additional specializations such as DNB, DM in Geriatric Psychiatry, and a Fellowship in Sexual Medicine. This extensive training equips him with a comprehensive understanding of diverse psychiatric conditions, enabling him to address the needs of his patients effectively.

Fluent in English, Hindi, and Bengali, Dr. Banerjee is committed to ensuring that language is not a barrier in providing quality mental health support. His approach combines clinical expertise with empathy, allowing him to create a supportive environment for his patients. As a psychiatrist at Apollo Hospitals, he is part of a renowned healthcare organization known for its commitment to excellence in medical care.

Dr. Banerjee's areas of specialization include psychiatric disorders across all age groups, with a keen interest in geriatric psychiatry and sexual health issues. His holistic approach encompasses not just the biological aspects of mental health but also the psychological and social factors that contribute to his patients' conditions. He focuses on collaborative treatment plans that involve the patient and their families, aiming for comprehensive management of their mental health needs. With his robust experience and dedication, Dr. Debanjan Banerjee is a trusted name in the field of psychiatry.
