Overview

Dr. Deep Dutta is a highly qualified Neurosurgeon based in Guwahati, Assam, with a rich experience of over 10 years in the field of neurosurgery. Holding dual degrees of MS and MCh, Dr. Dutta possesses extensive knowledge and expertise in diagnosing and treating conditions related to the nervous system, including the brain and spinal cord. His commitment to patient care is evident in his approach, where he combines the latest medical advancements with compassionate treatment, ensuring his patients receive the best possible care.

As a male physician dedicated to his craft, Dr. Dutta excels in performing advanced surgical procedures and managing complex cases, contributing significantly to the well-being of his patients. His proficiency in the English language allows him to communicate effectively with a diverse range of patients, ensuring clarity and understanding in all interactions.

Affiliated with Apollo Hospitals, Dr. Dutta is part of a prestigious group of medical professionals who prioritize quality healthcare. His contributions to neurosurgery have made him a respected name in the medical community, though he remains humble and focused on improving the lives of those he treats.

Residents of Guwahati and surrounding areas can trust Dr. Dutta for his skill, dedication, and compassionate care in the challenging field of neurosurgery.
