Overview

Dr. Deepak Inamdar is an accomplished Orthopaedician with over 23 years of experience in the field of orthopedics, practicing in the vibrant city of Bangalore, Karnataka. He holds multiple prestigious qualifications, including MBBS, D.Ortho from the renowned KMC Manipal, DNB in Orthopedics, and several fellowships in joint replacement surgery from highly reputed institutions. Dr. Inamdar is noted for successfully passing the DNB examination in his first attempt, a feat achieved by only one of twenty-five candidates in India.

With a focus on joint replacement surgery, he has undergone extensive training, including fellowships in exclusive joint replacement surgery and revision joint replacement at some of the world's largest volume centers. His international experience is complemented by training in high-performance knee replacement surgery at the DePuy Institute in Bangkok and computer-guided knee replacement surgery at Singapore General Hospital.

In addition to his clinical expertise, Dr. Inamdar has contributed to the field through his research, publishing two papers in the Asia Pacific Journal. He is also a faculty member for Swiss courses aimed at

teaching young orthopedic surgeons advanced trauma techniques. Fluent in English, Hindi, Telugu, Tamil, and Kannada, Dr. Inamdar provides comprehensive care to a diverse patient population. His impressive skill set and dedication to the advancement of orthopedic surgery make him a leading choice for patients seeking expert care in joint replacement and orthopedic interventions.
