Overview

Dr. Durga Damodaran is a highly skilled General Physician with over 15 years of experience in the field of Internal Medicine. Based in Chennai, she is dedicated to providing comprehensive healthcare services to her patients at Apollo Cradle & Children's Hospital in Karapakkam. Dr. Damodaran's extensive educational background includes an MBBS degree, along with prestigious qualifications such as the Membership of the Royal College of General Practitioners (MRCGP) and a Diploma in Diabetes (DIP). This solid foundation equips her with the knowledge and expertise to address a wide range of medical conditions, ensuring that her patients receive the highest standard of care.

Dr. Damodaran's clinical focus encompasses various aspects of adult medicine, with a particular emphasis on chronic disease management, preventive care, and lifestyle-related health issues. She believes in a holistic approach to patient care, where understanding the individual needs and concerns of her patients is paramount. By fostering open communication and building strong relationships, Dr. Damodaran ensures that her patients feel comfortable discussing their health challenges. Her empathetic nature and commitment to patient education empower individuals to take an active role in their health journey, leading

to better outcomes and improved quality of life.

At Apollo Cradle & Children's Hospital, Dr. Damodaran is an integral part of a multidisciplinary team that prioritizes patient-centered care. Her association with this esteemed institution allows her to collaborate with other healthcare professionals, ensuring a comprehensive approach to treatment and support. Dr. Damodaran is passionate about making a positive impact on her patients' lives, and her dedication to excellence in healthcare is evident in every aspect of her practice. Whether managing complex medical conditions or providing routine check-ups, she is committed to delivering compassionate and effective care tailored to the unique needs of each patient.
