Overview

Dr. Guruprasad Shetty is a highly skilled Liver Transplant Specialist based in Mumbai, Maharashtra. With over 14 years of experience in the field, he has established himself as a leader in liver transplantation and surgical gastroenterology. Dr. Shetty holds prestigious qualifications including an MS in General Surgery, DNB in Surgical Gastroenterology, and MRCSEd, showcasing his extensive training and expertise. He is fluent in multiple languages—English, Hindi, Marathi, and Kannada—making him accessible to a diverse range of patients.

Throughout his career, Dr. Shetty has received numerous accolades that highlight his commitment to medical excellence. Notably, he was awarded the J.N. Tata Endowment scholarship in 2010-2011 for further studies abroad in a higher specialty. He also received the B Braun scholarship in 2006-07 for outstanding academic performance in surgical gastroenterology, and he ranked third in his university during the M.S. (General Surgery) examinations.

As a part of Apollo Hospitals, Dr. Shetty employs state-of-the-art technologies and innovative techniques in his practice, ensuring every patient receives high-quality care tailored to their individual needs. With a

compassionate approach, he prioritizes patient education and support throughout the surgical journey, making him a trusted figure among his patients and their families. Whether you are seeking a consultation or advanced liver transplant options, Dr. Guruprasad Shetty is dedicated to providing comprehensive and specialized medical care.
